

Islington Early Years & Childcare Service (Area SENCO team)
& the Social Communication Team (SCT) present

Autism Skills Workshop

for early years SENCOs, Teachers & Keyworkers

The workshop will cover

- What is autism
- Sensory processing difficulties
- Understanding and supporting communication needs of children with autism
- Autism and play
- Understanding and managing difficult behavior
- Services in the community for children with special needs
- How to support children on the SCT waiting list
- Managing meetings and preparing for transition to school

The workshop will take place on Fridays
from 9:00 - 12:30 on the following dates:

**17 January, 7 February, 6 March,
27 March, 3 April 2020;
follow up session 12 June 2020**

at **Laycock Professional Development
Centre** Laycock Street, London N1 1TH

As part of the workshop we will carry out nursery visits. During these we will film your interaction with a child, and you will have a chance to ask questions and reflect on the workshop material.

The workshop will be delivered by members of the Islington Social Communication Team. For more details contact **Orit Roditti**, Occupational Therapist at orit.roditti@nhs.net
